The JLM Project is a site dedicated to sharing the truthfulness of its name to all who are willing to hear. JLM is an acronym for Jesus Loves Me.

We have been away for a while, but the Holy Spirit has moved, and we are back sharing Jesus' love with whoever will listen.

The JLM project was started by my good friend, Marlon Moncrieffe, and myself back in 1998. It took us a while but by 1999, we launched our own site. Since then, Vernisha Ahyoung has joined our team, and her contribution has been a blessing.

This site is an online publication using a variety of forms to encourage and edify. It is a personal ministry through which we hope to share with others the love that God has shown to us through His son Jesus Christ; and a forum through which others may do the same.

It is a meeting place for believers and unbelievers alike -- all those who seek the truth of an Infinite Being of Love.

More than all else, JLM represents a truth that is absolute, undeniable, and unchangeable. The very fabric of reality has its core in that truth.

Through the guidance of the Holy Spirit and the blessings of our Heavenly Father, it is the hope of this site to reveal the blessed truth of Jesus' love for every living being.
